## To whom it may concern

### The Risk of Co<sup>60</sup> and Other Radioactive Substances in Steel

On behalf of Delta Inox GmbH, I hereby declare that any stainless steel bought with us is absolutely free of Co<sup>60</sup> or any radioactive substance as well as mercury. This is stated in all purchase orders issued by Delta Inox and confirmed by relevant certificates supplied by the steel mills.

Yours sincerely  
**Delta Inox GmbH**

A handwritten signature in black ink, appearing to read 'T. Eilers', is positioned above the printed name.
